1 C. Srinivasa Chetty, Storekeeper is already getting Rs 40, the maximum pay of his grade and no case can be made out for him either for a revision of the grade or for the grant of a personal allowance.

2 Raghupathaniya's case need not be taken into consideration as he is about to retire. He has however rendered very hard service.

3 The cases of D Giriappa & P. V. Ramanna deserve favourable consideration. They have all along been doing very hard and laborious work and deserve a personal allowance of Rs 5 each without its being merged in the increments to be earned.

13 The existing scale of the Stores Establishment of the G.R.S. (which was fixed in 1910) consists of:-

1 Store-keeper on Rs.30- 2- 40.

2 Camp Mutsaddies on 15- 1- 25.

and 1 Asst. do 10- 1- 20.

14 The present incumbents in the several grades have been drawing the maximum pay of their respective grades from a very long time.

15 The Camp Mutsaddies are a very hard worked class of officials and are entrusted with very responsible work in getting up camps, attending to guests, etc. They handle large sums of money in these connections and are accordingly required to be literate. The present scale appears to be quite inadequate for the arduous duties devolving on them and is less than the ~~pay~~ maximum pay -- allowed to a Jamadar of the G.R.S.

16 Further, there appears to be no reason for maintaining a distinction between Camp Mutsaddies and Assistant Camp Mutsaddies as they are all performing similar duties.

17 For the post of Store-keeper, it is also desirable to have a clerk of good account experience and of the status of a Second Division clerk. As the present incumbent has yet about 4 years for becoming superannuated and as he does

does not satisfy the above requirements, the revision of his grade will not be pressed now, but will be kept in view for action being taken in due time.

17 It is accordingly proposed to raise the maximum pay of the Camp Mutsaddies to Rs.30 and have three Camp Mutsaddies in place of 2 Camp Mutsaddies and one Assistant Camp Mutsaddy, as at present.

The Chief Secretary to the Government of Mysore,

Bangalore.

(Through the Registrar, General and Revenue Secretariat)

Respected Sir,

The undersigned officials of the Stores Establishment of the General and Revenue Secretariat respectfully beg to state that the scale of this section of the Establishment was fixed so far back as in 1896 or so. It was revised in 1905 and 1910 resulting in very small promotions to us. The prospects of the General and Revenue Secretariat Establishment proper were considerably bettered in 1904 and again in 1914. They were further improved by the revision Scheme of 1917. But to our great misfortune our cases are not taken into the kind consideration of Government in this General revision. They beg to add that quite recently the scales of the different classes of menial servants of the General and Revenue Secretariat were also revised to the great advantage of the existing incumbents. As the reasons that led to the grant of increase of pay both to the clerical and menial establishments of the General and Revenue Secretariat hold good in the cases of the applicants also, they respectfully beg to request that their present poor prospects may also be improved. It is needless to mention here that onerous duties are being entrusted to the members of the Stores Establishment particularly during the last five or six years.

Camp arrangements at more frequent intervals and in different places are being attended to by the staff, to the entire satisfaction of the superior officers and the guests.

The petitioners will therefore not be transgressing if they pray for suitable promotions, especially as life has become enormously costly during the past three years for reasons beyond human control.

Hoping that their cases will meet with the sympathetic consideration of the benign and liberal Government.

They beg to remain,

Respectful Sir,

Your most obedient servants,

C. Srinivasa Chetty

D. Giriappa

P. V. Ramaiah
